Power of attorney for customs clearance in Switzerland

We hereby grant CustomSized AG a general power of attorney to carry out customs clearance in Switzerland. The power of attorney includes all necessary actions and powers required for the proper handling of customs formalities in Switzerland. In particular, we hereby authorise the authorised representative to act on our behalf and for our account:

- 1. To perform the import and export customs declarations for goods.
- 2. To complete and submit the required customs documents.
- 3. To make payment of customs duties and other charges.
- 4. To represent my interests vis-à-vis the customs authorities.
- 5. To perform all other acts necessary for proper customs clearance.
- 6. The most recent version of the GTC's of CustomSized AG are accepted.

This power of attorney takes effect from _____ and remains valid until revoked.

We hereby expressly declare that we indemnify the authorised representative against all liability claims that may arise from the exercise of this power of attorney.
